What is PowerPlay?

→ Individual Stableford Stroke event over 9 holes, with two cups on each hole; a Black flag cup in a difficult spot and a White (normal) flag in an easier spot.

→ Players must nominate to their marker if they choose to take a PowerPlay (Black flag) on a hole **BEFORE** they tee-off on that hole. The Marker must circle PowerPlay hole numbers on scorecard

→ Players must take exactly three PowerPlays in the first eight holes. If so, then a PowerPlay on the ninth is optional.

→ Scoring is by a modified stableford system:

Points (based on Net score after handicap)

Flag	Holes	Double Bogey	Bogey	Par	Birdie	Eagle	Albatross
White	All nine	0	1	2	3	4	5
Black	Holes 1-8	0	1	2	6	8	10
Black	Hole 9	-2	-2	2	6	8	10

Everyone is welcome!
