House & Social Report

Clubhouse

There has not been a great deal of clubhouse activities in recent weeks, due primarily to the summer holiday period, but it is anticipated that when members and their families return to normal routines there will be renewed interest and participation in club and social events.

Remember, the course and clubhouse belong to the members, and the more you use the facilities the better it is for all. The bar operates on most competition days, and on special occasions wherever possible.

Social

Your social committee has been considering a number of possible social functions for the coming year, but would very much like to have some input from members as to the type of function that you would prefer. If you can come up with some suggestions please contact me or any other member of the Board and we will make every effort to support your ideas.

Show me the Money

The popular **Show me the Money** competition will be held again this year. A sheet explaining the format and a list for you to add your name will be placed on the main notice board in the clubhouse shortly. It is hoped to start the competition in early March, and as mentioned in the past the more people that participate the greater the value of the weekly, monthly and final jackpot prizes. For a small outlay of \$2 per week you not only help your Club, but give yourself an opportunity to win a prize each week.

A list of all last year's winners is still displayed on the club notice board. **Be in it !!!**

Watch the Notice Board for further information.

Functions listed for the near future are as follows:-

Friday 12th February 2010

Social Evening & Farewell to Helen Webb & Michael Johns

(Notice & name sheet on Club notice board.)

Come along with your family & friends and enjoy an informal social evening. An excellent selection of finger foods will be served and full bar service is available.

- **Friday 12th March 2010 - Casserole Night**
- **Friday 16th April 2010 - Trivia Evening**
- **Friday 21st May 2010 - (Function details to be decided)**
- **Friday 25th June 2010 - Christmas in Winter Dinner**

Raffles

The weekly meat raffles and bar voucher draws continue to receive good support from members. The meat trays are particularly good value, with most winners very happy with the quality of the prize. If you don't already contribute to these modest fund raisers we would greatly appreciate your support in the future.

Club Management

By now you will be aware that our Manager, Greg Irwin, has left us. Greg left with our blessing but he did leave us with a real problem. At some point your Board envisages being able to engage a new manager – though it will be difficult to find one as effective – but until then we will have to call on help from club members. An extensive list of tasks that need doing, most of them on an occasional basis, is being assembled and is soon to be collated by Board members. We are seeking volunteers from among our club members to take on the jobs.

Please give the Board your support.

Club Website Questions

I would appreciate YOUR answers to any or all of the following questions.

Do YOU take a look at our website? The Results page contains the results for our competitions. As soon as the fixtures for 2010 are decided, the list will also be posted on the website. The Home page contains occasional news items. Past editions of *Tee Talk* are also to be found on the Newsletters page.

There is much more to find too but there is scope for additional information, so let me know: What would YOU like to see on the website the next time you look at it?

There is scope for us to promote more companies and sponsors by placing their logos, *etc.* on the website. Can YOU suggest a company for us to approach?

And here is another question: Can YOU find the mistake on the website?

Annual Seabrook Auction

Once again we are proposing to hold a Monster Auction during November this year. This is a great opportunity to help clean up garages sheds & rooms of unwanted items and assist us in raising funds for your club.

Michael Cuff will be organising and conducting the auction and will advise further details and the date in a later addition of Tee Talk

Ladies

SeaWyn was held on the 19th & 29th January 2010 with good fields on both days. There were some very good scores – Sally Kennedy, 42 points, YukHan McFarlane, 42, Audrey Philpott, 40, Jean Samec, 38, Connie Elphinstone, 38, Mary Moore, 37, Joan McLaren, 36 and Joyce Paull, 36. Unfortunately, due to weight of numbers, 24W-13S, Wynyard were able to win the competition yet again, making 8 in a row. We did have two winners in Jean Samec and YukHan McFarlane, with the best division scores over the two days. We really must try to encourage more participation in this event, as members from both Clubs enjoy the days.

Pennant began for Seabrook on Feb.8th. We are only able to field a handicap team this year, due to lack of personnel, but good luck to all who participate. Thirlstone defeated Seabrook, 3.5 to 1.5. Well done to Penny Evetts and Yvonne Lawrence.

Constance Henry will be played at Devonport on 10th Feb. It will take a big effort to win away from home this year. Good luck girls.

Joyce Watkinson matchplay begins this month with the qualifying event on the 16th. Our thanks to Joyce for continuing to sponsor this event.

Entries for the **Queenstown tournament** are out – 9th & 10th March. It would be good if we have a group to play and support their event, as they do for our Tournament.
